Notice of Denial of Medical Coverage (Medicare Advantage)

Dear Harold,

Your request for coverage of home health skilled nursing visits has been denied. This is a Medicare Advantage organization determination.

Reason: Medicare coverage rules require that you be homebound and need intermittent skilled nursing care. The information we received does not show that you are homebound. See Medicare Benefit Policy Manual, Chapter 7, Section 30.1.

You have the right to ask us to reconsider this decision (a Level 1 appeal). If we deny your appeal, it will automatically be sent to an Independent Review Entity (Level 2). Further levels include an Administrative Law Judge hearing, the Medicare Appeals Council, and federal district court.

How to Ask for a Reconsideration

You must ask for a reconsideration within 65 days of the date of this notice. Call 1-800-555-0120 (TTY 711) or write to SilverLine Medicare Advantage, Appeals and Grievances, PO Box 30250, San Antonio, TX 78265. For a fast appeal, we will decide within 72 hours.

For help, call 1-800-MEDICARE (1-800-633-4227) or visit [Medicare.gov](https://www.Medicare.gov).

Sincerely,
Appeals and Grievances Department
