Explanation of Denied Claim

Dear Robert,

We reviewed four claims from Coastal Physical Therapy & Rehab for services between August 25 and September 3, 2026. These claims have been denied.

Reason for denial: Benefit limit exhausted. Your plan covers a maximum of 20 outpatient rehabilitative therapy visits per calendar year (see your Summary of Benefits and Coverage, page 3, "Rehabilitation services"). Our records show that 20 visits were used as of August 22, 2026. Visits 21 through 24 are not a covered benefit. Reason code: 119 - benefit maximum for this time period has been reached.

Amount billed: \$640.00. Amount paid: \$0.00. Because these visits are not covered, the provider may bill you directly.
